Company Profile :

## Aradhya Constructions

### Our Mentor

**Late Shri S. L. Bhalla**

Our mission and Vision stems from **Late Shri S.L. Bhalla**, Patron of **M/s Aradhya Constructions**, who was a Civil Contractor for more than 25 years. After acquiring a degree from Sagar University, he was associated with M/s Arjun Singh & Sons, Delhi as a partner and commenced some of the most remarkable construction icons in Delhi.

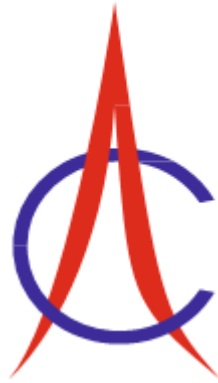

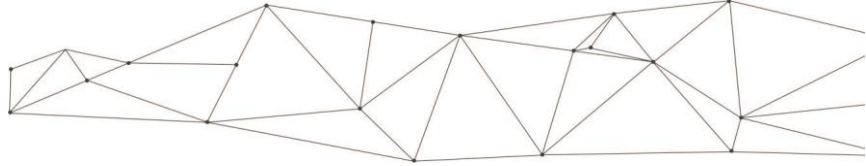

A few milestones projects by Shri S. L. Bhalla :

- **Gyarah Murti (the Dandi March statue) New Delhi.**
- **Deen Dayal Upadhyay Hospital, Hari Nagar, New Delhi.**
- **DDA Flats, Pitampura, Delhi**
- **DDA Flats, Pocket A, Vasant kunj.**
- **DDA Flats, Dwarka, Sector 19.**
- **DDA flats, Dwarka, sector 23.**

He set out for his heavenly abode in 1995. He is still with us in our spirits, professional innovation and perseverance to create time enduring structures. Aradhya Constructions is an extension of Shri S. L. Bhalla's vision and tireless effort to be more dependable than others.

## Aradhya Constructions

### About Us...

Headquartered in New Delhi,

**M/s Aradhya Construction** owes its existence and success to the endeavor of its founders **Mr Jeetendra Bhalla** with a strong commitment to augment Nation's growing engineering capability and prowess.

The company combines technological competence, excellence in construction management and financial acumen to give the desired results.

The Aradhya team consists of dynamic people with fresh ideas to execute their plans to match and even outdo the pace of modern era.

The Aradhya Group will seek to explore opportunities in core areas like buildings, infrastructure and support facilities.

Our services extend to overall / or turnkey construction of high end Commercial buildings, residential complexes, hotels, factories etc.

A photograph of construction workers on a steel rebar structure. The workers are wearing safety gear like hard hats and high-visibility vests. They are positioned at various heights on the structure, which consists of a dense network of vertical and horizontal steel bars. The background shows a clear blue sky. A large blue circular graphic is overlaid on the left side of the image, partially obscuring the rebar structure.
